premium hardwood timber

Nature creates it, Nuqo perfects it

Nuqo Timbers are your preferred Timber Merchants within KZN. Offering a bespoke and personalised service, we supply a broad range of both local and imported hardwoods to suit any job.

What We Do

Nuqo Timbers is a direct importer and wholesale distributor of premium hardwood timber into the South African market. Our core focus being the supply of American White Oak - kiln-dried, rough-sawn and sourced direct.

What We Offer

- Local and imported hardwood timber — available in bundles or as loose planks.
- Machining service — we are able to provide a cut-to-size service where timber is machined specifically for your project.

Timber Supply

We supply timber in two ways:

- Bundles — full bundles; the most cost-effective unit for high-volume buyers.
- Break Bundle — loose planks for smaller jobs or trial orders.

How to Order

1. Send your requirements to our email
2. Receive a quote
3. Collect or have your timber delivered directly to you.
